

Brandy Moore House (BMH) is an 11-bed transitional communal facility located in San Francisco's Western Addition neighborhood.

BMH participants are provided with **Case Management** and a **communal residential** experience for six months at a time with an option for another six-month extension. Length of stay in the program is contingent on performance and program compliance.

BMH participants are not tenants and therefore do not have tenant's rights. BMH is a program and is neither licensed as a board and care facility nor a Residential Care Facility for the Chronically III (RCFCI).

Brandy Moore House (BMH) is operated by the **Rafiki Coalition for Health and Wellness**, a local san Francisco non-profit health and wellness organization.

MISSION STATEMENT

Rafiki Coalition's mission is to eliminate health inequities in San Francisco's Black and marginalized communities through education, advocacy, and by providing holistic health and wellness services in a culturally affirming environment.

Rafiki Coalition strives to achieve its focus by providing health and wellness services including, but not limited to, *health education, movement classes, health screenings, advocacy, transitional housing and case management services for people living with HIV/AIDS, trauma resiliency and mental health circles, and other health-promoting activities.*

Brandy Moore House

Brandy Moore House (BMH) is a supportive housing program that provides transitional and case management services.

The target population is *very low-income African Americans who are HIV-positive/AIDS diagnosed, sober from substance use/abuse and are homeless* as defined by the U.S. Dept. of Housing and Urban Development (HUD).

Brandy Moore House Services

TRANSITIONAL HOUSING

Brandy Moore House is a sober, transitional housing program for HIV+, low-income, marginally housed/homeless adults in the San Francisco county.

BMH has total of 11 beds; nine with single rooms and 1-double room. Our wait list changes depending on the number of interested parties who applied.

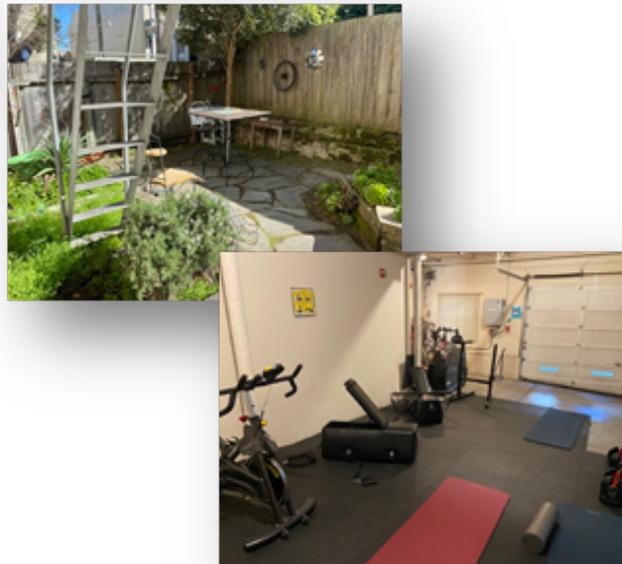

CASE MANAGEMENT

Case Management services are provided on-site. BMH's Case Manager works with you 1-on-1 to help reduce/remove barriers towards achieving permanent housing; increased income, reducing debt, improving credit score, expungement of records, and improving mental/medical health care, and more.

WELLNESS

BMH is proud to offer Wellness services such as the **Adrian Tyler Fitness Center**, courtesy of CARES fund from the **Mayor's Office of Housing and Community Development**.

Named after the former Director of Development and Communications who was instrumental in securing funds for Rafiki Coalition, this center provides much needed services and programming for the Black, HIV+, homeless, and marginalized communities of San Francisco.

All BMH services are available to transitional housing residents and are designed to meet their specific needs.
